

# Take Reading to Heart!

**\$25**

When James Ransome agreed to speak at the Florida Reading Association's fall conference in 2006, the Conference Chair, Debra Wellman requested that he paint a picture based on his vision of her conference theme, *Take Reading to Heart!* FRA printed 500 copies of this painting—100 remain with Mr. Ransome but the other 400 are for sale with profits going to the Florida Reading Association. If you would like to buy one for yourself or your school, simply fill in the information below and send your check or money order to the address below. The picture will be mailed to the address you provide in a mailing tube.
